

~~ Meeting & Parking ~~

For this trip, we will be parking our cars at Farmington Heights Church. We park at the Surge Youth Center, and if you need an address to get there, it is as follows:

910C Raleigh Road Pkwy W

Wilson, NC 27893

The two images below show our parking area. The first is a large image of our entire church property with a yellow box for our meeting area, and the second image shows the parking area in detail.

For this trip, we will be there quite a while, and also note that we will not be the only people using this building and parking area for the week. With that in mind, we want to park as far away from the doors as possible, and please do not leave any space between your car and your neighbor's car. I know in the past, some of us (including me) have parked near the median in the middle of the lot, but lets not do that this time. Please park only in the area noted with the green box.

As usual, I will have the doors unlocked, and seating and restroom facilities will be available inside.
